

Confucius Institute in Edmonton
爱德蒙顿孔子学院

The Confucius Institute in Edmonton (CIE) is a partnership between Edmonton Public Schools, the Chinese Ministry of Education (Hanban Branch) and the Shandong Education Commission.

- The CIE supports schools offering or planning to offer Chinese language and/or cultural education.
- The CIE supports community through courses in: Chinese language, Chinese Music, Traditional Art and Tai Chi.
- The CIE supports businesses in language and culture training, and the city and community in cultural festivals
- The CIE hosts Canada's largest Chinese public access library.

The Province of Alberta is fortunate to have one of the few Chinese Confucius Institutes in North America. This is an excellent resource center for Albertans that are interested in China, its Language and Culture. For those that are doing business with China or planning to do business in China, The Confucius Institute is an invaluable resource. The Library is probably one of the largest collections of reading and cultural material available in the province. I highly recommend a visit.
